THE LIST of consignors printed herewith should create a desire on the part of all Shorthorn breeders to attend this sale. This is a splendid offering of both bulls and females drawn from strong herds where definite improvement is being worked every year. Northwest Illinois is a typical beef cattle country. The breeders in this section are wide awake and they are proud of the market that has been developed through the annual sales at Lena, Ill. The offering this year contains more outstanding herd bull prospects than any previous offering and is well filled with females that will work real improvement. The far sighted breeder will take advantage of the opportunities that are his right now. Prices receded last fall due to the disastrous drouth. They are starting to strengthen again and it is certain that purchases this spring will look very cheap a little later on. Come to Lena, Ill., on March 9th and buy beautifully bred cattle that are sure money makers.—Hal Longley of The Shorthorn World.

All cattle entered in this sale have been tested for T.B. and Abortion within thirty days of the date of the sale.

Terms and Conditions

LOCATION—The sale will be held in the heated Community Auction Pavilion at Lena, Ill., on Tuesday, March 9, 1937. This sale, in former years, has been held at Freeport, but new and much better accommodations have been found in Lena, Ill. Paved road 73 runs north and south through Lena joining U. S. 20 one mile south of town. Lena is located 12 miles northwest of Freeport. There is a comfortable hotel in Lena for those who care to remain over night. The sale will start promptly at 1 P. M.

TERMS—Cash, unless other arrangements are made with the owners of the cattle before the sale. Settlements must be made with the clerk immediately at the close of the sale. All cattle will be at buyers risk as soon as bid off, but will be loaded on cars or delivered to trucks for transportation to comply with instructions of the purchaser.

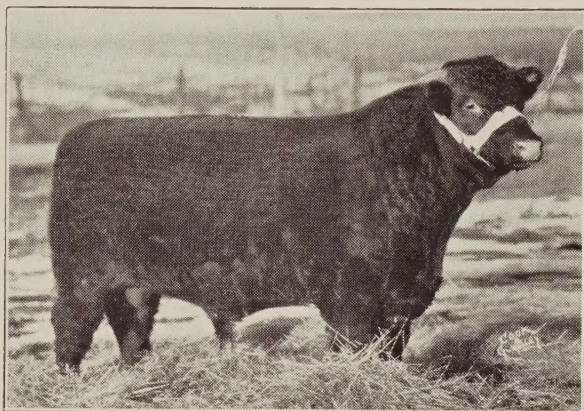

GUARANTEE—All cattle sold subject to a 60-day retest for tuberculosis and health certificates will be furnished to comply with any state into which they may go. All cattle in this sale have been blood tested for Bang's Disease within 30 days of the date of this sale. Bulls are guaranteed if properly cared for and not allowed to run at large with the herd under fourteen months of age. If any bull fails to breed he may be returned to the seller, if in as good a condition as when sold, and if after a fair test in the sellers herd, he still fails to breed he will be replaced or purchase price refunded at the option of the seller. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months old at time of sale are guaranteed breeders. Animals returned to the seller because they do not comply with the guarantee will be at the buyers cost of transportation. The above guarantee and terms shall constitute a contract between seller and buyer of each lot. The Tri-County Shorthorn Breeders' Association, under whose auspices this sale is held, assumes no liability but it is our desire and intention to protect the interests of both buyer and seller with a view of bringing about a satisfactory adjustment of any difference that may arise. The clerk or sale manager assumes no liability, legal or otherwise.

REGISTRY—A certificate of registry and a signed transfer will be furnished with each lot sold, and an application for registry will be furnished for each calf sold at foot with dam and for each unborn calf sold in dam. Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

BIDS—Those wishing to buy who cannot be present may leave bids or send them to Hal Longley, the sale manager, in care of The Shorthorn World, 37 Island Ave., Aurora, Ill. Buying orders may also be sent to the auctioneers or to J. E. Halsey of Wallaces' Farmer or H. F. Brant of the Drovers Journal. Such orders will be honestly and faithfully executed.

Five outstanding sons and two beautiful daughters of this bull are listed in this sale. Lot 11 is the best bull he ever sired and one of the best that will be offered anywhere this spring.

Above—THE GRANDSIRE—Imp. Collynie Clipper Crest was one of the great improvers of the breed. His sons and daughters were not only great show animals but proved equally great breeding animals. He is the grandsire of Lot 11 in this catalog, one of the best bulls that will be offered anywhere this Spring.

THE BULL—Collynie Golden Ring, a bull with a perfect head and neck, wonderful balance, the richest possible color and absolutely correct type. The above picture is just a snapshot and does not really do him justice but it does show his splendid head, color and balance.
